

## Acknowledgments

As always, we are grateful for the intellectual and financial assistance of the Fraser Institute. Without the assistance and guidance of both Michael Walker, former Executive Director of the Fraser Institute, and the late Milton Friedman, this project would never have gotten off of the ground.

The members of the Economic Freedom Network again provided valuable support for this report. Our thanks also go to Kathy Makinen and Joe Connors at Florida State University. We are grateful for the hard work of the many people on staff at the Fraser Institute who help with the project, including Fred McMahon and Jean-François Minardi.

Steve Knack (World Bank) and Irene Mia (World Economic Forum) were instrumental in helping secure data from their respective organizations.

Thanks also go to the Charles G. Koch Charitable Foundation and the Searle Freedom Trust for their support. Very special thanks go to Joshua Hall of Beloit College for his valuable assistance again with this year's data revisions and updates. We are pleased that Josh is joining the project as a full co-author.
